DSHEA Disclaimer

These statements (appearing on this Web site) have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure or prevent any disease.

Weight-Loss Disclaimer

Weight-loss results may vary. In a recent study, participants averaged a weight loss of 7 pounds at the completion of their first Isagenix® 9 Day Program. Always consult your physician before making any dietary changes or starting any nutrition, weight control or exercise program.

Safety Disclaimer

Note: If you are pregnant, nursing, diabetic, on medication, have a medical condition, or are beginning a weight control program, consult your physician before using Isagenix® products or making any other dietary changes. Discontinue use if adverse events occur.

Information for General Purposes Only

Information provided on this Web site and on all publications, packaging, and labels is for general purposes only and designed to help you make informed decisions about your health. It is not intended to substitute advice from your physician or health-care professional.

Earnings Disclaimer

**Earning levels for Isagenix® Independent Associates that appear in this publication are examples and should not be construed as typical or average. Income level achievements are dependent upon the individual Associate's business skills, personal ambition, time, commitment, activity and demographic factors. For average earnings, see the Isagenix Independent Associate Earnings Statement found at www.IsagenixEarnings.com.
